Minutes / Meeting of EAA Chapter 595 Rio Grande Valley

Eight paid members attended the meeting at Don Schwanke's house, so quorum was not met, therefore no business could be discussed.

There was however, much discussion made and many of the world's problems were solved in the time allowed.

Byron Engle made an announcement that the City of Kerrville is trying to start the fly in again, calling it "The Return To Kerrville Fly-In". It will take place at the Kerrville Municipal Airport (KERV) May 10th & 11th. Volunteers are needed and all jobs (but one) last a maximum of 2 hours. If you wish to volunteer (we have 2 so far), call Byron Engle @ 425-5214.

The April "meet n' eat" has been moved to the last Sunday of April (the 27th), since the 2nd Sunday is Palm Sunday and the 3rd Sunday is Easter.

It will be at the Panda Express restaurant just across from the mall in Harlingen. The food is excellent and the prices reasonable.

The next meeting (May) will be at Byron Engle's house in Harlingen @ 814 E. Taylor. Call if you get lost (425-5214), but there will be a map on the website. The meeting date is May 4 @ 2:00 p.m. Refreshments will be served and the program will be a tour through the "Den of Iniquity" (garage/shop). Enter at your own risk. The prize will be the viewing of "the oldest still-under-construction-homebuilt in the civilized world". See you all there.
