Christmas Banquet EAA Chapter 595 Rio Grande Valley

EAA Chapter 595 members arrived before noon at Ted Miller jr.' house in anticipation of good food and good company. They weren't disappointed. The pot luck was a great success and about 18 good folks showed up. BBQ beef, BBQ chicken and BBQ sausage were the main courses with tamales and several pot luck side dishes. The dessert table was full this year (especially compared to last year) and everyone had a really good time.

Treasurer Byron Engle was taking dues (as usual) and having everyone filling out an information form to turn in to EAA headquarters in January.

After the luncheon, most of the world's problems were solved by the membership and the party continued until nearly 4 p.m. All things come to an end, however and the members went their separate ways to home and elsewhere, but the memories will last a long time. Ted, ever the gracious host had everything in readiness and there was plenty of room for everyone to stretch out and relax.

Merle & Shirlene Jenkins were missed this year due to both of them being ill with bronchitis. Get well soon, Merle & Shirlene and we'll see you both soon.

No business meeting was held as per tradition, but the next official meeting will be at the Schwanke's house in La Feria January 5, 2014 at 2:00 p.m. Program to be announced.

No calendars have been ordered, as the minimum order is 12 and only 6 have indicated they want calendars. If you want one, please contact Byron @ 425-5214. January is almost upon us.

Cheerfully submitted by Byron Engle (see more photos on the website <http://www.595.eaachapter.org/>).
