President Don Schwanke called the meeting to order at 2:10 p.m. 6 members & 2 guests were in attendance, so quorum was again not met. No business meeting was attended to.

Attending members were;

Don Schwanke, Byron Engle, Merle Jenkins

Shirlene Jenkins, Phil Bowers, Beverly Klebert

Guests in attendance were;

Robert Carter, Patrick Haslem

The suggestion was made by Merle Jenkins that possibly during the summer months a business meeting could be held if the quorum numbers were reduced, but Don answered that the chapter is following the guidelines that EAA has established and we are following the protocol set up by headquarters. He did say that a business meeting could be conducted by the executive committee if needed.

Much conversation ensued about any number of subjects; US politics, world politics, aviation matters and most of the world's problems were solved in less than an hour of this conversation. (Too bad Congress can't do that).

The July meet 'n eat will be at the Jenkins favorite eating establishment; the Longhorn Cattle Company in San Benito (just take the Paso Real exit on expressway 83 and it will be on the frontage road past Paso Real/Helen Moore Road) at 1:30 p.m. Sunday July 20. Bring your appetite.

The next meeting will be August 3, 2014 at the Schwanke Mansion (maybe he'll be flying "Air Force One" by then).

After refreshments (thank you Geneda), the group assembled in front of Don's computer to view the EAA monthly video program. After the program, everyone said their goodbyes and set out for parts unknown.
